MONTHLY WEB MARKETING AGREEMENT

Please tick the boxes:

- I agree to pay Aust\$44 per month for 12 months in 2 x 6 month installments after my phrase searched in the Google™ search engine gets my website link on page one Google.
- I understand my prepayment of Aust\$264 is for the first 6 months and Aust\$264 when due for the second six months is for:
 - Maintaining top search engine position
 - Alternate monthly Position Ranking Reports
 - Alternate monthly Link count and Link Popularity Reports.
 - Quarterly Site statistics, if web hosting was arranged by 4 Web Marketing.
 - Ten minutes consultation per month if necessary.
 - Creation of links to 4 Web Marketing's client's site when opportunity arises.
- Because 4 Web Marketing is providing my site with multiple links on various winning web sites, I agree to reciprocate with a link to 4 Web Marketing on each page 4 Web Marketing optimises.
- I understand that the 4 Web Marketing's Monthly Plan does not include training and in particular search engine positioning training, transfer of web marketing intellectual property, nor consultation beyond 10 minutes per month.
- I understand that changing targeted phrases for position on search engines incurs extra work and therefore extra expense. In this case the existing Monthly Plan payment to 4 Web Marketing will continue without pause and that additional payment will be paid to 4 Web Marketing before their work is started.
- I agree to always keep my account in credit.
- I agree to be personally responsible for the second six month debt of A\$264 and that if the business I represent is sold that this debt of A\$264 be reported to the buyer in the balance sheets of the business I represent.
- I have downloaded, printed, read, signed and attached the credit application form from <http://www.4webmarketing.biz/creditapp.pdf> I understand this is for work done by 4 Web Marketing in maintaining my link position on page one of Google™ (and other search engines) before the second 6 monthly payment is due.

I agree to give in writing to 4 Web Marketing, 7 months warning of my / our organisation's intention for the cessation of 4 Web Marketing's work and my / our organisations payment to 4 Web Marketing.

I will advise change of contact details provided below within one week.
